PATCHAM BRIDGE CLUB

NEWS-SHEET

February Update

The County's Charity Pairs had the best participation for a decade. As a result both of the Charities nominated by Cathy and Evelyn will receive £550.

On Wednesday February 8 we are playing the County's Senior Simultaneous Pairs. The cost is £2.50 plus a voucher. To participate in the event you must be at least 55, however others may play 'without status'.

On Monday February 27 we will play the EBU free simultaneous pairs at 1.45, cost a voucher.

On Thursday 8 March we will play the Charity Challenge Simultaneous Pairs in aid of the Prostrate Cancer Charity. Cost Members £4 Visitors £5.

On Wednesday March 14 we will play the EBU Stratified Simultaneous Pairs at a cost of a voucher.

Our AGM will be on Tuesday April 24 at 6.30 which will be followed by bridge.

A date for your diary our annual visit to Barnsgate is on Sunday June 10

Patcham is very lucky that on Wednesday they have a number of directors who once a month are willing not to play. However once a month we need a member on standby. This will mean they will have 50% chance of a game. As you are only going to be asked to perform this duty once in five years your committee consider that it is reasonable that if you need to stay for a lift you will be happy to spectate on that one occasion.

Please check the notice board to see when you are the designated stand by.
