PATCHAM BRIDGE CLUB

NEWS-SHEET

Our annual day out at Barnsgate is on June 12 and Brenda and Pam are still accepting bookings. If you have not attended on a previous occasion it is worth asking for details, it is an enjoyable day out and excellent value for money.

You can use your home computer to play, learn or watch bridge completely free. Stewart Ross is running a seminar at the Club at 2.00pm on Tuesday 5 July when he will explain what is available.

We have two simultaneous pairs in July. On a normal Thursday Club night on 14 July an event in aid of Kidney Research please just turn up to play. On Tuesday July 26 we have a Bridge Great Britain simultaneous pairs, as this is not a normal club night please sign up on the notice board.

There have been a few comments recently about the disruption caused by persistent slow play. We have put an article headed Bridge Etiquette on the board which was compiled by a new club member at another club and sent to Bridge by the Secretary. The article indicates how everyone can help the session to progress smoothly.

The next management meeting is on Monday 13 June, if you have anything you would like to be considered please contact the Secretary Doris at doris@patchambridgeclub.org.uk or on 01273 208387.

Congratulations to Martin Haigh who successfully completed the EBU Teacher Training Course on 14/15 May.

It has been agreed during the coming season that the Club will continue to pay the County entry fees for regular members who enter County heats at Patcham.
