PATCHAM BRIDGE CLUB

NEWS-SHEET

New Year Update

Our participation in 'Children in Need' contributed £418 to the charity.

On Monday 16 January we are running a heat of the County's Charity Simultaneous Pairs in aid of Age Concern Brighton (nominated by Cathy Glendinning) and Impact (nominated by Evelyn Ransom). Please support the Charities and your fellow members by participating in the event.

The EBU wish to further test their simultaneous pairs system and are offering another free event on Monday 27 February. We will play it at 1.45 for the cost of a voucher.

From February our Sunday teams will be handicapped, based on the team's performance over the previous twelve months. This should provide each team a chance to win this social event. The cost for members is increasing to £4.50 including a Sunday tea.

We have a heat of the Elizabeth North Team Event on January 10 at 1.45. Last year Evelyn Ransom, Paolo Romanelli, Anne Myers and Margaret Paul came second in the final. Ian Macgregor's club have already entered two teams into the Patcham heat.

We have purchased Bridgemates and they will be used whenever the Director is in agreement. They save the scorers over an hours work per session and reduce the possibility of errors.

The cost of joining the Community Centre is £2.50 a year which automatically enables you to become a member of Patcham Bridge Club. However members are reminded that they need to attend ten sessions a year to enjoy the special prices for Barnsgate, Christmas Dinner and club heats for Sussex competitions.
